

## **METHODOLOGY**

### **for receiving foreign citizens for studies and schooling starting with the academic year 2017-2018**

#### **CHAPTER I**

##### **General provisions**

###### **ART. 1**

For the purpose of this methodology, foreign citizens are persons who have nationality of a third country of the European Union, proven by possession of a valid passport.

###### **ART. 2**

(1) The schooling of foreign citizens in Romania shall be carried out as follows:  
a) for tuition-free places and places without scholarship in compulsory education in Romania;  
b) for payable places with the payment of tuition fees in foreign currency, in upper secondary education, in non-university tertiary education and in state and private higher education accredited in Romania;  
(2) The schooling in Romania of the citizens mentioned in art. 1 is also carried out in military education, public order and national security. The number of places provided for foreign citizens and the organization of aptitude tests is to be established by the competent institutions.

#### **CHAPTER II**

##### **Admission to the study programme**

###### **SECTION 1**

###### **Studies in Romanian**

###### **ART. 3**

In the case of study programs where the educational process is carried out in the Romanian language, admission is conditioned by the acquisition of the necessary knowledge of Romanian.

###### **ART. 4**

- (1) Foreign pupils may be enrolled in the introductory course in the Romanian language in the schools to be nominated by county school boards /Bucharest School Board.
- (2) The duration of the initiation course in Romanian language is 1 school year.

###### **ART. 5**

Foreign citizens may be enrolled in the introductory course in the Romanian language within the higher education institutions, according to the legal provisions on organizing and conducting the preparatory year of Romanian language.

###### **ART. 6**

Are exempted from the obligation to present the certificate of graduation of the course of initiation, namely of the preparatory year, when enrolling in study programs with the teaching language being the Romanian language, the following categories of persons:

- a) who present Romanian study documents (diplomas and certificates) or study documents, school transcripts attesting at least 4 consecutive years of studies carried on in the Romanian language, in a school within the Romanian national education system;
- b) who, in order to enroll in pre-university education, participates in the session dedicated to the assessment of the language skills compliant with the legal regulations in force;
- c) who, in order to enroll in higher education, possesses a certificate to prove their linguistic competence of minimum B1 level, according to the common European Framework of Reference for Languages, issued by accredited higher education institutions in Romania which organize the preparatory year in the Romanian language for foreign citizens, or by the Romanian language, literature, culture and

civilization lectorates to be found in universities abroad / Institute of the Romanian Language or the Romanian Cultural Institute.

## SECTION II

### **Studies in foreign languages**

#### ART. 7

- (1) In study programs where the educational process is carried out in languages foreign, admission is conditioned by the successful passing of a linguistic competence language test organized by each pre-university education institution / higher education institution, according to its own methodology.
- (2) Exempt from this test are people who come from countries where the official language of the state is the language in which the courses are conducted and who provide school documents attesting that they attended classes in that language.

[SECTION III Enrolling to preuniversity education]

## SECTION IV

### **First Cycle - Admission to Bachelor's Study Programmes**

#### ART. 19

Foreign citizens can access bachelor's degree studies in accredited higher education in Romania, if they cumulatively meet the following conditions:

- a) have documents attesting the citizenship of a third country of the European Union;
- b) are graduates with a baccalaureate diploma or its equivalent, according to the list set out in Annex. 1, which forms an integral part of this Methodology.

#### ART. 20

The candidacy file of the foreign citizens mentioned in art. 19 contains the following:

- a) birth certificate - copy and certified translation;
- b) copy of the document certifying the permanent residence abroad;
- c) copy of the passport;
- d) application for the issuance of the letter of acceptance to studies, provided in Annex no. 2 which forms an integral part of this methodology, completed under all headings;
- e) copy and certified translation of the baccalaureate diploma or equivalent authenticated by the competent authorities of the issuing country;
- f) copy and certified translation of the certificate attesting the passing of the baccalaureate exam for graduates of the current year;
- g) transcripts of records - copies and legalized translations, related to the studies performed;
- h) certificate of graduation of the Romanian language year or certificate of linguistic proficiency, where appropriate;
- j) medical certificate (in a language of international circulation) attesting to the fact that the person who is going to enroll in study programme does not suffer from contagious diseases or other diseases incompatible with the future profession.

#### ART.21

The admission procedure applied to the candidates referred to in Article 19 is carried out as follows:

- a) the files are sent directly to the accredited higher education institutions for which the candidates opt;
- b) higher education institutions evaluate the files, according to legal regulations in force, and consequently send the Ministry of National Education - General Directorate of International Relations and European Affairs (MEN-DGRIAE) the list of persons proposed for the issuance of the letter of acceptance to studies;
- c) the list of candidates will be sent to the Ministry of National Education, according to the layout.
- d) the list shall be accompanied by a copy of the candidate's file in accordance with article. 20;
- e) the number of files submitted must be within the maximum number of students who can be schooled, according to the regulations in force;
- f) after assessing the file, the Ministry of National Education issues the letter of acceptance;

g) the Ministry of National Education sends letters of acceptance to studies to higher education institutions and, where appropriate, to diplomatic missions;

h) incomplete files will not be processed, being declared rejected. In the case of the compliant completion of the files, higher education institutions will resume the steps described in the admission methodology, in order for them to be processed them by the Ministry of National Education;

i) the files of the rejected candidates or of those who give up the place obtained will be returned by higher education institutions, within 48 hours from the submission of the application, without any additional charges.

#### ART. 22

(1) Foreign citizens who have completed partial studies in another state may continue studies in accredited higher education in Romania, within the Bachelor's Study Programmes, if they cumulatively meet the following conditions:

a) have documents certifying foreign citizenship;

b) are graduates possessing a baccalaureate diploma or its equivalent, according to Annex no. 1;

c) have been enrolled at a higher education institution recognized by the authorities of the State in question;

d) possess transcripts and analytical syllabus related to the studies carried out;

e) have the approval of the accredited higher education institution in Romania where they want to study.

(2) Continuing studies in higher education institutions in Romania can be achieved after the first year and until the end of the penultimate year of studies, at the same specialization, conditioned by compliance with the provisions of art. 21 lit. e).

(3) The continuation of studies in higher education institutions in Romania is conditioned by obtaining the letter of acceptance to studies.

#### ART. 23

The candidacy file of the foreign citizens mentioned in art. 22 contains the following:

a) birth certificate - copy and certified translation;

b) copy of the document certifying the permanent residence abroad;

c) copy of the passport;

d) Application for the issuance of the letter of acceptance to studies provided for in Annex no. 2, completed under all headings;

e) copy and certified translation of the baccalaureate diploma or its equivalent authenticated by the competent authorities of the issuing country;

f) transcripts of records and analytical syllabus - copies and legalized translations, related to the studies performed;

g) the official certificate showing the grading system applied in the institution in which they studied, as well as its equivalence in the European Credit Transfer System (ECTS system) and its certified translation, as appropriate;

h) the certificate of graduation of the preparatory year in Romanian language or the certificate of language competence, as the case may be, in accordance with Art. 5 and 6;

i) the medical certificate (in a language of international circulation) certifying the fact that the person who is going to enroll in the study programme does not suffer from contagious diseases or of other diseases incompatible with the future profession;

j) the report of the validation of studies committee, showing the year of study in which the candidates can be registered and any equivalence exams to be taken, established by each university / faculty, by comparing the curricula and analytical programs. The obligation to verify the authenticity of the documents presented belongs to the educational institution, by direct correspondence with the education institutions issuing the study documents.

#### ART. 24

The admission procedure applied to the candidates referred to in Article 22 is carried out as follows:

a) the files are sent directly to the accredited higher education institutions for which the candidates opt;

b) the accredited higher education institutions evaluate the files, according to the regulations in force, and transmit to the Ministry of National Education - General Directorate of International Relations and European Affairs (MEN-DGRIAE) the list of proposed persons for the issuance of the letter of acceptance for studies and the copy of the files;

- c) the list of candidates will be transmitted, according to the layout;
- d) the number of files submitted must be within the maximum number of students who can be enrolled, according to the regulations in force;
- e) after assessing the file, the Ministry of National Education issues the letter of acceptance to studies;
- f) the Ministry of National Education sends letters of acceptance to studies to the higher educational institutions and, where appropriate, to the diplomatic missions;
- g) incomplete files will not be processed, being declared rejected. In the case of the compliant completion of the files, higher education institutions will resume the steps described in the admission methodology, in order for them to be processed them by the Ministry of National Education.

## SECTION V

### Second Cycle - Admission to Master Study Programmes

#### ART. 25

Foreign citizens can access master's degree studies in accredited higher education in Romania, if they cumulatively meet the following conditions:

- a) have documents attesting the citizenship of a third country of the European Union;
- b) are graduates possessing a bachelor's degree or its equivalent.

#### ART. 26

The candidacy file of the foreign citizens mentioned in art. 25 contains the following:

- a) birth certificate - copy and certified translation;
- b) copy of the document certifying the permanent residence abroad;
- c) copy of the passport;
- d) application for the issuance of the letter of acceptance to studies, provided in Annex no. 2 which forms an integral part of this methodology, completed under all headings;
- e) copy and certified translation of the baccalaureate diploma or equivalent authenticated by the competent authorities of the issuing country;
- f) copy and certified translation of the bachelor degree or its equivalent authenticated by the competent authorities of the issuing country;
- g) transcripts of records / diploma supplements - copies and legalized translations, related to the studies performed;
- h) certificate of graduation of the preparatory Romanian language year or certificate of linguistic proficiency, where appropriate, according to art. 5 and 6;
- j) medical certificate (in a language of international circulation) attesting to the fact that the person who is going to enroll in study programme does not suffer from contagious diseases or other diseases incompatible with the future profession.

#### ART. 27

The admission procedure applied to the candidates referred to in Article 25 is carried out as follows:

- a) the files are sent directly to the accredited higher education institutions for which the candidates opt;
- b) higher education institutions evaluate the files, according to legal regulations in force, and consequently send the Ministry of National Education - General Directorate of International Relations and European Affairs (MEN-DGRIAE) the list of persons proposed for the issuance of the letter of acceptance to studies;
- c) the list of candidates will be sent to the Ministry of National Education, according to the layout.
- d) the list shall be accompanied by a copy of the candidate's file in accordance with article. 26;
- e) the number of files submitted must be within the maximum number of students who can be schooled, according to the regulations in force;
- f) after assessing the file, the Ministry of National Education issues the letter of acceptance;
- g) the Ministry of National Education sends letters of acceptance to studies to higher education institutions and, where appropriate, to diplomatic missions;
- h) incomplete files will not be processed, being declared rejected. In the case of the compliant completion of the files, higher education institutions will resume the steps described in the admission methodology, in order for them to be processed them by the Ministry of National Education;
- i) the files of the rejected candidates or of those who give up the place obtained will be returned by higher education institutions, within 48 hours from the submission of the application, without any additional

charges.

[SECTION VI Enrolling to postgraduate study programmes in the medical field]

## SECTION VII

### **Third Cycle – Admission to doctoral study programmes**

#### ART. 33

Foreign citizens can access doctoral study programmes in accredited higher education in Romania, if they cumulatively meet the following conditions:

- a) have documents attesting the citizenship of a third country of the European Union;
- b) are graduates possessing a master degree or its equivalent.

#### ART. 26

The candidacy file of the foreign citizens mentioned in art. 33 contains the following:

- a) birth certificate - copy and certified translation;
- b) copy of the document certifying the permanent residence abroad;
- c) copy of the passport;
- d) application for the issuance of the letter of acceptance to studies, provided in Annex no. 2 which forms an integral part of this methodology, completed under all headings;
- e) copy and certified translation of the baccalaureate diploma or equivalent authenticated by the competent authorities of the issuing country;
- f) copy and certified translation of the bachelor degree or its equivalent authenticated by the competent authorities of the issuing country;
- g) copy and certified translation of the master degree or its equivalent authenticated by the competent authorities of the issuing country;
- h) copy and certified translation of the certification showing the successful passing of the bachelor's examination for the graduates of the current year;
- i) transcripts of records / diploma supplements - copies and legalized translations, related to the studies performed;
- j) certificate of graduation of the preparatory Romanian language year or certificate of linguistic proficiency, where appropriate, according to art. 5 and 6;
- k) medical certificate (in a language of international circulation) attesting to the fact that the person who is going to enroll in study programme does not suffer from contagious diseases or other diseases incompatible with the future profession.

#### ART. 35

The admission procedure applied to the candidates referred to in Article 33 is carried out as follows:

- a) the files are sent directly to the accredited higher education institutions for which the candidates opt;
- b) admission is carried out in the fields of the doctoral studies approved, in accordance with the legal provisions in force;
- c) higher education institutions send, according to the layout, to the Ministry of National Education - General Directorate of International Relations and European Affairs (MEN-DGRIAE) the list of persons proposed for the issuance of the letter of acceptance to studies according to the calendar of each institution organizing doctoral studies (IOSUD);
- d) the list shall be accompanied by a copy of the candidate's file, in accordance with art. 34.;
- e) after assessing the file, the Ministry of National Education issues the letter of acceptance;
- f) the Ministry of National Education sends letters of acceptance to studies to higher education institutions and, where appropriate, to diplomatic missions;
- g) incomplete files will not be processed, being declared rejected. In the case of the compliant completion of the files, higher education institutions will resume the steps described in the admission methodology, in order for them to be processed them by the Ministry of National Education;
- h) the files of the rejected candidates or of those who give up the place obtained will be returned by higher education institutions, within 48 hours from the submission of the application, without any additional charges.

#### ART. 36

The duration of the doctoral study program is, as a rule, 3 years, with the exception of the doctorate in higher education the medical, veterinary and pharmaceutical field, which has a duration of 4 years and ends with the public defence of the thesis, and acquiring the title of doctor.

### SECTION VIII

#### **Final internal academic mobility**

#### ART. 37

- (1) Final internal academic mobility is carried out according to the Order of the Minister of National Education and the Delegate Minister for Higher Education, scientific research and technological development no. 651/2014 in view of the approval of the methodology regarding the academic mobility of students, with the acceptance of the accredited higher education institutions of the country of origin, the receiving country respectively, and with the agreement of the Ministry of Education, by issuing a new letter of acceptance to studies.
- (2) Final internal academic mobility is achieved only after the end of one year of studies, after satisfying all the requirements set out in the education programme. Enrollment takes place at the beginning of the new academic year.
- (3) The final internal academic mobility is carried out as long as it is compliant with the schooling capacity.
- (4) Definitive internal academic mobility can be achieved after the first year and until the end of the penultimate year of studies, in the same specialization.
- (5) Definitive internal academic mobility is conditioned by the possession of the letter of acceptance to studies.

#### ART. 38

The final internal academic mobility file must contain the following:

- a) copy of the document certifying the permanent residence abroad;
- b) copy of the passport;
- c) copy of the residence permit;
- d) application for the issuance of the letter of acceptance to studies, provided in Annex no. 2 which forms an integral part of this methodology, completed under all headings, in two copies;
- e) transcripts of records – certified true copies;
- f) certificate of graduation of the preparatory Romanian language year or certificate of linguistic proficiency, where appropriate, according to art. 5 and 6;
- g) the report of the validation of studies committee, showing the year of study in which the candidates can be registered and any equivalence exams to be taken, established by each university / faculty, by comparing the curricula and analytical programs. The obligation to verify the authenticity of the documents presented belongs to the educational institution, by direct correspondence with the education institutions issuing the study documents.

### CHAPTER III

#### **Enrollment to the study programme**

#### ART. 39

Enrollment to higher education study programmes is conditioned by the successful passing of the entrance examination/competition and obtaining the letter of acceptance to studies issued by the Ministry of National Education.

#### ART. 40

Enrollment to higher education study programmes in art, sports and architecture is also conditioned by the successful passing of specific aptitude tests.

#### ART. 41

The registration of foreign citizens will be carried out by decision of the rector, according to the calendar established by the receiving higher education institution and compliant with the legislation in force.

ART. 42

- (1) Upon registration, candidates will present the documents of studies and documents proving their identity from the application file, in original, together with the letter of acceptance to studies and the passport with a valid visa for the purpose of "studies".
- (2) Original study documents issued in states that are parties to the Convention regarding the Apostille of the Hague must be endorsed with the Apostille of the Hague by the competent authorities from the issuing countries.
- (3) Original study documents issued in states that are not parties to the Apostille of the Hague Convention will be authenticated by the Ministry of Foreign Affairs of the issuing country and the Romanian embassy/consular office from that country.

ART. 43

Upon registration, the higher education institutions will write down in the study documents the names of the foreign citizens according to the data in the passport. The same name will also be written on the documents issued at the end of the studies (degree, diploma supplement).

ART. 44

Higher education institutions have the obligation to conclude study contracts between the students enrolled and the rector of the university, according to the legal provisions in force.

ART. 45

After registration, foreign citizens are registered in the matriculation register with a unique number valid for the entire period of schooling at the specialization/study programme to which they were admitted.

CHAPTER IV

**Final provisions**

ART. 46

The minimum amount of the tuition fees for foreign citizens of third parties states is stipulated in the Government Ordinance no. 22/2009, approved with changes by Law no. 1/2010.

ART. 47

- (1) Higher education institutions that wish to educate foreign citizens will inform the Ministry of National Education regarding the places made available to them, including the maximum number of students who can be schooled, according to the regulations in force;
- (2) The files of the candidates are sent to the Ministry of National Education in order for the letter of acceptance to be issued in accordance with the admission calendar established by the board of the host university. The admission calendar is sent to the Ministry of National Education for information.
- (3) The registration of foreign students is carried out according to the calendar established by the decision of the senate of the receiving university. The enrollment calendar is sent to the Ministry of National Education for information.

ART. 48

Foreign citizens who acquire Romanian citizenship can occupy a study place financed from the state budget or having to pay tuition fees, at the amount established by the senate of the university for Romanian citizens, on condition that they pass the contest of admission organized in a legally established session, according to the regulations of each university.

ART. 49

The letter of acceptance is only valid for the higher education institution it was issued for, starting with the academic year for which it was issued as well as for the respective academic cycle. Any change during the university study years, which contradicts the documents in the initial acceptance letter, will be regulated, at the request of the educational institution involved, by the issuance of a new letter of acceptance by the Ministry of National Education.

ART. 50

Enrollment to a study programme, academic mobility, temporary or final, changing the field of study and re-enrollment is carried out exclusively with the approval of the Ministry of National Education.

ART. 51

Foreign citizens have the following obligations:

- a) to respect the Constitution of Romania and the laws of the Romanian state;
- b) to comply with the internal regulations of the accredited pre-university / higher education institution in which they carry out their studies activity;
- c) to comply with the provisions of this methodology.

ANNEX 1 \*1) to the methodology

\*1) ANNEX no. 1 is rendered in facsimile.
